

What is NAMI In Our Own Voice?

NAMI In Our Own Voice is an interactive presentation that provides insight into what it's like to live with mental illness. The presentation is led by two adults living with mental health conditions and includes video and discussion. Audiences are given a safe place to ask questions and gain understanding of an often-misunderstood topic. Through dialogue, we help grow the movement to build better lives.

NAMI Franklin County, the local organization of the National Alliance on Mental Illness, offers its NAMI In Our Own Voice presentations on demand. Please see contact information below.
